

Wisdom & Love

July 1, 2013

*Lord I ask you to grant me the wisdom to do what is right by You
and let me Love others with Your Love in spite of...*

The wisdom to stage and arrange

The wisdom to instruct and direct

The wisdom to plan out an event in the simplest way, cause you are a simple God

The wisdom to discern what need to be corrected and correct it tactfully.

The wisdom to change without offense

*The wisdom to be able to lead your people and yet learn to hear Your voice and follow
Your direction*

Lord, Your Love is unconditional towards me...so help me...

To love without questions

To love no matter the color, height size or condition

To love no matter the thought against me

To love no matter the words spoken about me

To love no matter the outcome

You are God,

You know my name

You know my thoughts

You know my heart

And You know every scars

Take me, use me to bring you Honor & Glory!
